When other new facilities are to be required, the customer will in addition to the above monthly rate, pay \$6.44 per month for each pole and span of wire not to exceed 160 feet from the nearest or most suitable pole to the point designated by the customer for the installation of said lamp.

POWER COST ADJUSTMENT (PCA)

The PCA will be increased or decreased by the amount of increase or decrease in the fuel cost per kilowatt hour above or below the base price of 34.25 mils/kWh multiplied by 105%. Power costs include allowed fuel and emission allowance costs for all BLP generation, net purchased power costs including interconnection costs, and renewable energy costs.

TAX ADJUSTMENT

Bills shall be increased to any customer receiving electric service from the Board of Light and Power within the territorial limits of a tax authority who imposes any new or increased tax on the Board's electric operation after the effective date of this rate schedule. New or increased taxes include franchise, occupation, gross receipts, license, excise, privilege or similar type tax.

Each customer's bill affected within the specific territorial limits of a tax authority shall be increased to offset such new or increased taxes in conformity with the basis that such total tax is imposed upon the Board of Light and Power's electric operation.

PAYMENT

Monthly bills will be rendered NET, payable on or before the due date of the net monthly bill. The gross monthly bill, which is 102 percent of the net monthly bill, will be collected if the monthly bill is not paid on or before the due date.

TERMS OF SERVICE

Service rendered under this schedule is subject to the Board's standard rules and regulations.
