AVAILABLE

Open to any commercial or industrial customer desiring service for electric space heating furnished through a separate meter to which no other device, except electrical air conditioning equipment or electric water heater(s) may be connected. Electric heat equipment must be permanently installed and used as the primary source of space heating. This rate is not available for heating water for industrial processing or for resale purposes. At the Board's sole discretion, and upon written approval, lighting and other incidental loads may be connected to this meter.

CHARACTER OF SERVICE

Alternating current, 60 hertz, single phase or three phase. Voltages as approved by the Board of Light and Power.

MONTHLY RATES

Service Charge:

\$10.00 per customer per month plus,

Energy Charge:

For June 1st through September 30th:

12.56 cents per kWh for all energy used

For October 1st through May 31st:

10.88 cents per kWh for all energy used

This rate is subject to the Energy Optimization Surcharge and the Renewable Energy Surcharge per schedule of surcharges.

POWER COST ADJUSTMENT (PCA)

The PCA will be increased or decreased by the amount of increase or decrease in the fuel cost per kilowatt hour above or below the base price of 34.25 mills/kWh multiplied by 105%. Power costs include allowed fuel and emission allowance costs for all BLP generation, net purchased power costs including interconnection costs, and renewable energy costs.

TAX ADJUSTMENT

Bills shall be increased to any customer receiving electric service from the Board of Light and Power within the territorial limits of a tax authority who imposes any new or increased tax on the Board's electric operation after the effective date of this rate schedule. New or increased taxes include franchise, occupation, gross receipts, license, excise, privilege or similar type tax. Each customer's bill affected within the specific territorial limits of a tax authority shall be increased to offset such new or increased taxes in conformity with the basis that such total tax is imposed upon the Board of Light and Power's electric operation.

PAYMENT

Monthly bills will be rendered NET, payable on or before the due date of the net monthly bill. The gross monthly bill, which is 102 percent of the net monthly bill, will be collected if the monthly bill is not paid on or before the due date.

TERMS OF SERVICE

Service rendered under this schedule is subject to the Board's standard rules and regulations.
